#### PRIORITY CLAIM (35 U.S.C. §119)

I hereby claim foreign priority benefits under Title 35, United States Code, §119, of any foreign application(s) for patent or inventor's certificate or of any PCT international application(s) designating at least one country other than the United States of America listed below, and have also identified below any foreign application(s) for patent or inventor's certificate or any PCT international application(s) designating at least one country other than the United States of America filed by me on the same subject matter having a filing date before that of the application(s) of which priority is claimed.

|       | [X]                          | No such applications have been filed                                       | 1.                        |                                    |
|-------|------------------------------|--|---------------------------|------------------------------------|
|       | [ ]                          | Such applications have been filed as                                       | follows:                  |                                    |
| Α.    |                              | oreign/PCT application(s) filed wit<br>y priority claims under 35 U.S.C. § |                           | design) prior to this application, |
| Count | try/PCT                      | Application No   | Date Filed                | Priority Claimed                   |
|       |                              |  |                           | [ ] Yes [ ] No                     |
| В.    |                              | eign application(s), if any, filed mon                                     | re than 12 mos. (6 mos fe | or design) prior to this           |
|       | Country<br>Applica<br>Filing | ntion No:  |                           |                                    |

#### PRIORITY CLAIM (35 U.S.C. §120)

I hereby claim the benefit under Title 35, United States Code, §120, of any United States application(s) or PCT international application(s) designating the United States of America that is/are listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in that/those prior application(s) in the manner provided by the first paragraph of Title 35, United States Code, \$112. I acknowledge the duty to disclose information that is material to the examination of this application (namely, information where there is substantial likelihood that a reasonable Examiner would consider it important in deciding whether to allow the application to issue as a patent) which occurred between the filing date of the prior application(s) and the national or PCT international filing date of this application.

| [X]      | No such applications have be   | en filed           |           |  |
|----------|--------------------------------|--------------------|-----------|--|
| []       | Such applications have been to | filed, as follows: |           |  |
|          |                                |                    | Status    |  |
| 013      | T. Ett. D.                     |                    |           |  |
| Serial 1 | No. Filing Date                | Patented Pending   | Abandoned |  |

I hereby appoint the following attorneys and/or agents to prosecute this application and transact all business in the Patent and Trademark Office connected therewith:

| Michael L. Sherrard Peter J. Sgarbossa Donald Verplancken Lawrence Edelman Raymond Kam-On Kwong James C. Wilson John R. Schiffauer Joseph Bach Sarah J. Brashears | Registration No. 28,041<br>Registration No. 25,610<br>Registration No. 33,217<br>Registration No. 25,226<br>Registration No. 37,165<br>Registration No. 35,412<br>Registration No. 32,170<br>Registration No. 37,771 |
